

## Chess Table Anthracite-Concrete (2P)

Product code: GT.CH.AB2

**£ 3,025.00** excl. VAT  
(£ 3,630.00 incl. VAT)

This concrete set consists of a bottom plate with a chess table and two seats. Like all other tables and benches of HeBlad, this table is moulded entirely in one piece of high-quality concrete. The bottom plate measures 59 x 149 cm.

In case you want to place the table in a park, the plate can be levelled with the grass so that the upper side of the concrete plate matches the cutting height.

Placing is included in the price. Preliminary work must be finished before delivery. This concrete Chess Table is made of anthracite-coloured concrete. The anthracite "concrete-look" is an aesthetic sight.

The 64 fields (32 white and 32 black) are made of marble and hard granite rock and integrated into the concrete.

The table is weatherproof.

By ordering this chess table you receive 1 set of chess figures with the delivery, free of charge.

22 December 2024 - Prices subject to change
