(£ 5,880.00 incl. VAT)

This very large concrete picnic table can accommodate 18-20 people.  
The ideal concrete table for large groups of people in public space.

The entire set is made of colored concrete. This means that the anthracite color is not created by painting, but the concrete is also colored anthracite inside.  
Thanks to this method of colors, the concrete look of a concrete table has been retained.
