

Picnic table DeLuxe Anthracite-Concrete Wheelchair accessible

Product code: PS.DLAB.RT

This picnic set accommodates a ninth person in a wheelchair, to take place at the end of the table.

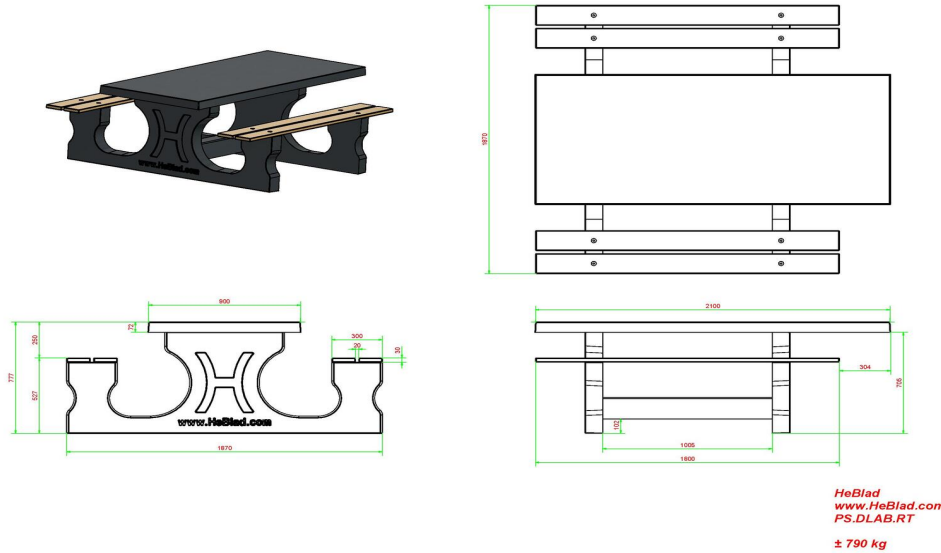

Due to the extra height and extra length on one side, this table meets the standards for a wheelchair accessible picnic table.

The entire set is made of colored concrete. This means that the anthracite color is not created by painting, but the concrete is also colored anthracite inside. Thanks to this method of colors, the concrete look of a concrete table has been retained.
