With this beautiful bench in anthracite-colour, you can arrange a schoolyard in a playful manner.

This bench can be placed in a winding form over the schoolyard or around a tree as a tree bench. Looking at the reference pictures of this model you surely get more ideas.

This concrete bench is not lacquered or painted, but moulded anthracite-coloured concrete, whereupon the bench has this colour through and through.

The heavy weight makes it possible to use the bench as a separation.
