This beautiful picnic table coloured in anthracite with bamboo planks is a delight for the eye. Our picnic tables differ from others by their relaxed sitting position, this has everything to do with the distance and height between the seat and the tabletop. Next to public places it is also appropriate for a nice spot in your own garden, to sit down in a relaxed atmosphere and enjoy a snack or drink. Like all other tables by HeBlad this picnic table is moulded as well in one piece and cannot be dismantled. This adds to safety and discourages vandals.
