

Concrete bench DeLuxe with bottom plate and backrest Anthracite

Product code: BB.DLA.OP

This bench with the seat and backrest provided with bamboo planks offers a relaxed seat. Due to the anthracite colour it is almost unbelievable that this bench is made of concrete. The bench is produced with a bottom plate. Thus, made in one piece.

Always a tidy place to relax as no grass can grow underneath. As well as the place in front of the bench will never be wet or muddy because of the "integrated" solid underground.
