

Picnic table DeLuxe Natural Concrete Wheelchair accessible

Product code: PS.DL.RT

Special picnic table for a wheelchair user. Because user of wheelchairs can never pull up to a picnic table, we have designed this table. The wheelchair user can easily get close to the rest of the group of people around the table.

At one side the tabletop is extended by 60 cm. Also the whole undercarriage is slightly higher to create free space for the legs of 60 cm depth and 71 cm height. Because the table is slightly higher, people with leg problems can easily sit at the table.
