Suitable for 18 to 20 people. Our picnic tables are well known for their relaxed sitting position due to the well thought-out distance and height between the seats and tabletop. Like all other products of HeBlad this picnic table is moulded in one piece. The anthracite colouring gives this table a warm appearance.

In contrast to all other tables, this table can only be unloaded directly from the truck and then rolled further across level and paved surface. For this we need the help of 3 strong people.
